Notes for the meeting from the 12th of March....

Thanks to all that attended, 23 people, if my count is correct, 2 corvairs in the lot as well.

Great time to remind all the the meetings will be the 2nd Thursday of the month at 6pm. As the weather warms we will continue our meetings on the 2nd Thursday, but events are going to start getting set up for various weekends.

Looking forward to seeing more members that have been in hibernation. Next scheduled meeting is April 9th at 6pm at the Canal Grill.

See you then. Happy Vairing.

SIGHTS AND SOUNDS SPRING IS NEAR

For most what comes to mind is daffodils blooming, trees budding and waking to birds once again singing. However, on the first warm day and evening a different species returns to the surface. I witnessed them over the weekend. In the far distance I could hear a distinct noise I recalled hearing before the snow covered the ground. As it gets closer I see them coming, maybe just one or perhaps several in a pack. They're various colors, all shined up and with lots of style.

It's the return of The Corvairs! Officially, spring is here!
